Volume: 32 Liters

PRODUCT DESCRIPTION

The Rival Swim Backpack is designed to provide swimmers with a high-quality travel backpack. With the addition of a mesh bag, the Rival Swim Backpack eliminates the need for swimmers to carry two bags. Use the mesh bag to easily access your cap and goggles or store a wet swimsuit. Larger items like a foam roller, towel or monofin can be stored behind the mesh bag and secured with straps at the bottom of the backpack.

Designed in California
